

Sustainable Energy

PHEE

A forum for Academic Leaders in
Electrical Engineering and Allied Technologies

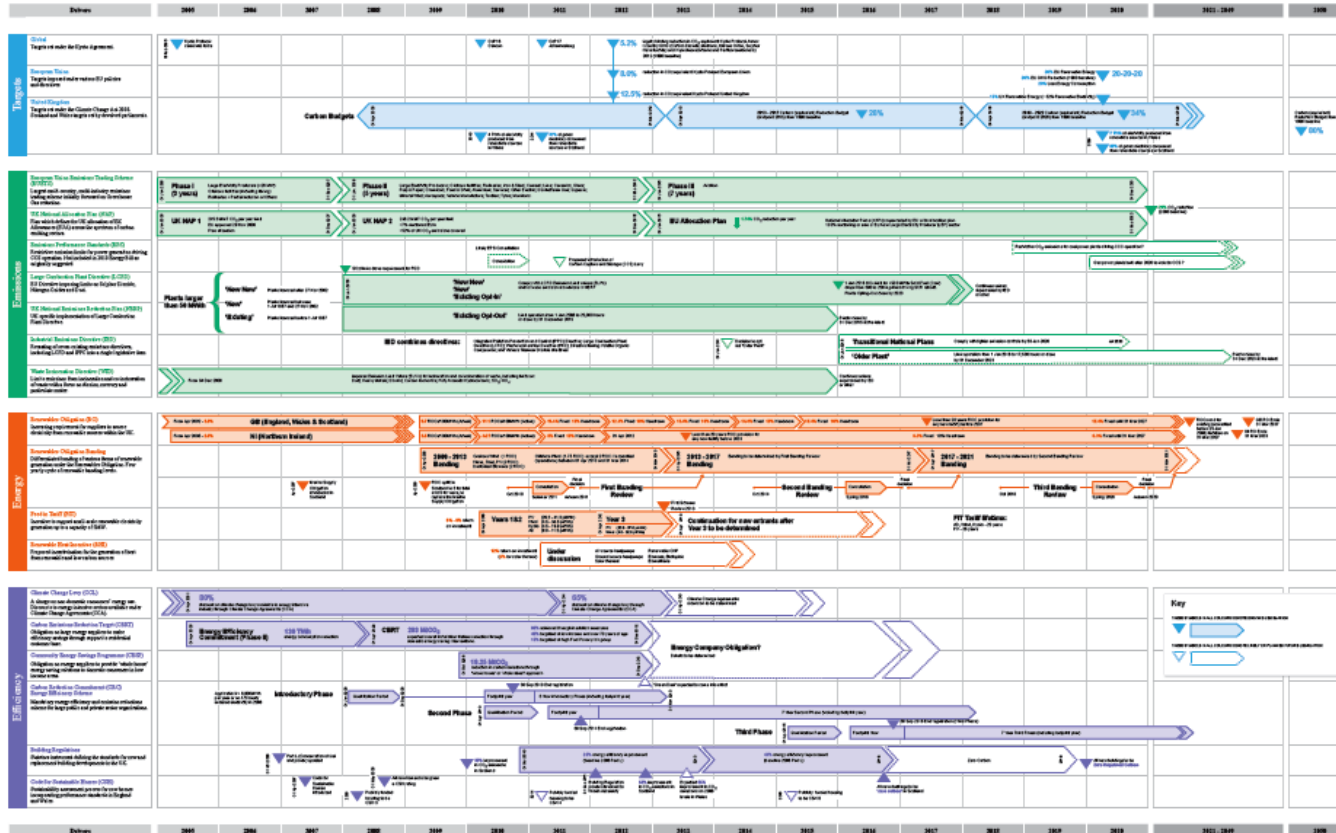

Professors & Heads of
Mechanical &
Manufacturing Engineering

IET Academic Partners
The Institution of
Engineering and Technology

Why can't we just carry on as we are?

And the game is already changing

What are our options?

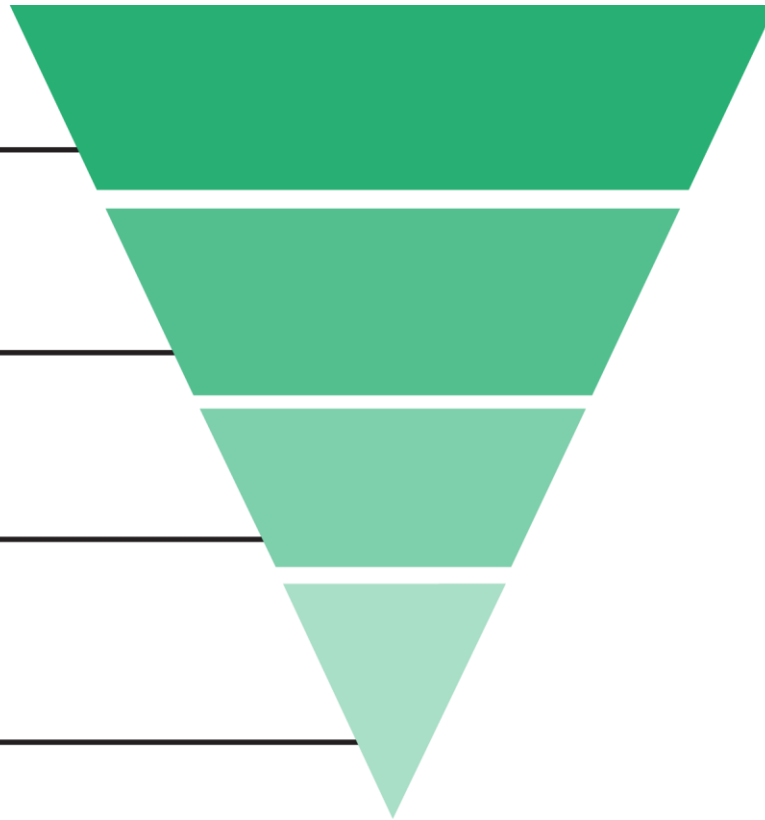

Carbon hierarchy

Use less energy

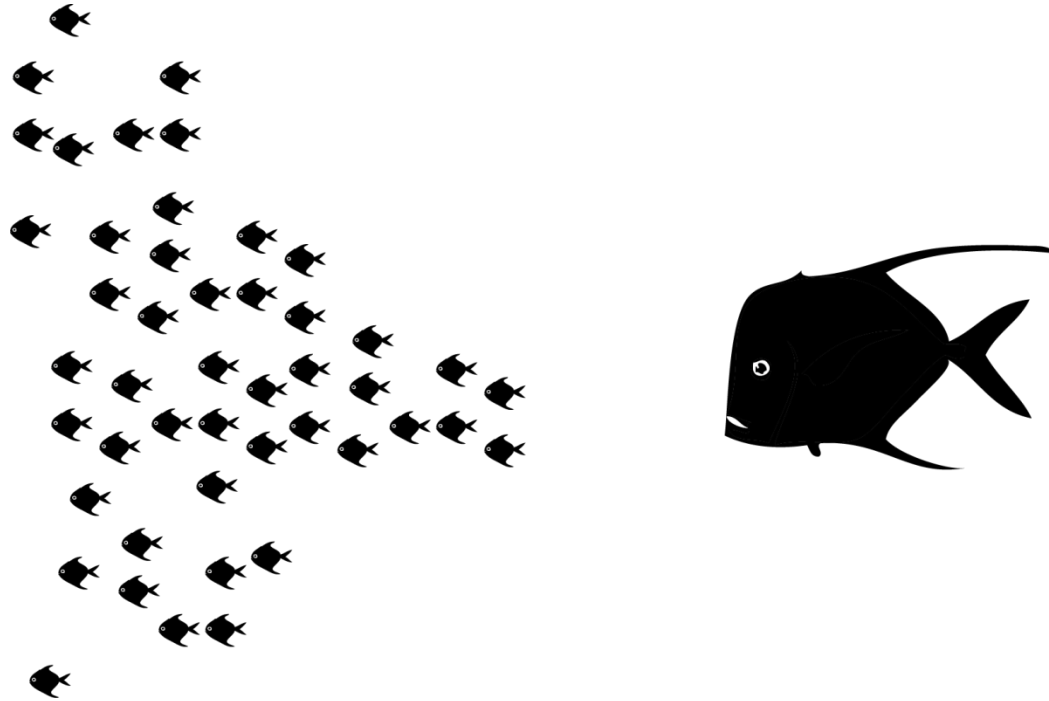

Renewable/low carbon generation

Reduce production + distribution losses

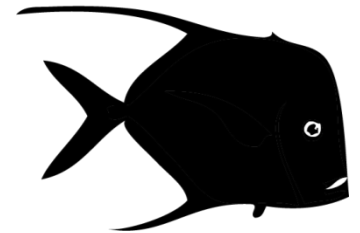

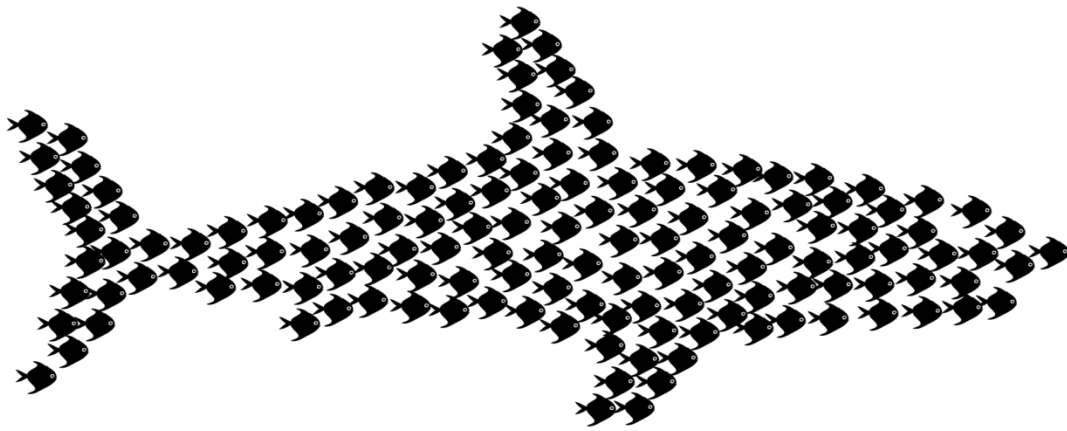

Store carbon + offset

What **scale** do we need to work at?

What **scale** do we need to work at?

Reducing demand What do we do?

Increasing efficiency

What do we do?

Renewables and low carbon energy What do we do?

Offset and capture

What do we do?
