

Opportunity for Undergraduates - Summer 2014

Lasham Human Powered Flight Rally 28th June to 6th July

Edgley EA12 in flight (just) at Henstridge 2012

Calling all undergraduates,
first second or third year.

You don't have to be an
engineer, just keen on doing
something associated with
flight and human endeavour.

Come and join a team that is putting in two entries for the rally.

Starting mid to end of May come and help prepare the aircraft in Tisbury.

Participate as ground crew at the rally, even perhaps get to fly the aircraft.

Location: Tisbury (Wiltshire) and
Lasham Airfield (Hampshire).

Payment of main expenses.

Airglow in flight.

Google "Icarus Cup" for photographs of past events at Lasham and at Sywell.

Information and Applications:
