UK And Ireland Engineering Education Research Network Spring Colloquium

Date/Time

Date(s) - 02/05/2019 - 03/05/2019

All Day

Location

Technological University Dublin

(https://hefocus.raeng.org.uk/wp-content/uploads/sites/2/2018/03/UKEERN_Logo_Mar_2018.png)

Spring is a time of re-birth and growth. The days are getting longer and we are feeling more energised. Carpe diem! The UK & IE EERN Spring Colloquium is a chance for the EER community to come together and grow and you are therefore cordially invited to attend our **2nd Spring Colloquium** to be held on **Friday 3rd May** from 10:30-17:30 hours at the **Technological University Dublin**, Ireland.

The purpose of this free event is to:

- Provide those who are new to engineering education research with a venue to present their work and receive feedback from others.
- Facilitate networking and mentoring of Newer Researchers in EER [@EERN_ECR].
- Engage with the EERN Research Interest Groups (mathematics, research methods and diversity in engineering education) and explore future collaborations and funding opportunities.

In addition to invited contributions, we are accepting proposals for **short** presentations and research posters. We are particularly interested in contributions focusing on the sharing of ideas, experiences of particular methodologies, and summaries of work in progress. **If you are interested in participating**, please email a short presentation abstract or poster proposal to: **edward.conlon@dit.ie by March 18**.

For information on the **UK & Ireland Engineering Education Research Network** please contact Dr Jane Andrews: **Jane.Andrews@warwick.ac.uk**
(mailto:Jane.Andrews@warwick.ac.uk)

For information on the **Newer Researcher Network**, contact Rebecca Broadbent:
r.broadbent@aston.ac.uk

Workshop for postgraduate students on May 2nd. Selling your work in 6 questions: How, what, where, who, when and why? Science communication adviser Molly Quel from TU Delft will deliver this free workshop to **Masters and PhD students** on communicating effectively to journalists, non-experts and interview panels. Click here (<https://www.eventbrite.co.uk/e/postgraduate-student-workshop-ukie-engineering-education-research-network-tickets-56474717400>) to register. Email **M.LeandroCruz@tudelft.nl** for details.

For more information see our eventbrite registration page!. (<https://www.eventbrite.co.uk/e/uk-ie-engineering-education-research-network-spring-colloquium-tickets-56181284735>)

Essential Colloquium Details

Registration is now open on Eventbrite click here (<https://www.eventbrite.co.uk/e/uk-ie-engineering-education-research-network-spring-colloquium-tickets-56181284735>) or go to <https://hefocus.raeng.org.uk/events/>.

Social gathering on evening of Thursday, May 2nd Boco Bar & Pizzeria, 57 Bolton St, Inns Quay, Dublin 1 (self-funded event, costs not covered by EERN)

Colloquium Date: Friday, May 3rd 2019, 10:30 to 17:30.

Location: St Laurence's Church, Grangegorman Campus, TU Dublin, Grangegorman Lower, Dublin 7.

Travel: By air – fly to Dublin Airport, take the airport bus to Dublin City Centre and take the Luas tram (Green line, direction Broombridge) to the Grangegorman Luas Stop

By Ferry: an option for those travelling from the UK, ferries include: www.irishferries.com (<http://www.irishferries.com>), www.stenaline.com (<http://www.stenaline.com>). On arrival, make your way to Dublin City Centre and take the Luas tram (Green line, direction Broombridge) to the Grangegorman Luas Stop

By car: there is no parking on campus but pay parking is available on surrounding streets

Accommodation: www.visitdublin.com (<http://www.visitdublin.com>), www.ireland.com/Dublin/Travel (<http://www.ireland.com/Dublin/Travel>)
