Dear Member

## **NOTICE OF ANNUAL GENERAL MEETING**

NOTICE is hereby given that the **Twenty-seventh Annual General Meeting** of the **Engineering Professors' Council** (a Company Limited by Guarantee registered in England & Wales 06791295) will be held **online via Zoom on Tuesday 6<sup>th</sup> July 2021 at 4:15pm** immediately following the EPC's Engineering Engineering webcast when a provocative paper on the future of engineering education, written by Prof Kel Fidler, will be launched starting at 2pm.

Registration for the Engineering Engineering webcast will be available soon.

To register for the AGM, please follow the link [bit.ly/EPCAGM2021](https://bit.ly/EPCAGM2021)

The AGM agenda can be found in Appendix 1 of this notice.

This Notice is served in accordance with Articles 38-40 of the Engineering Professors' Council's Articles of Association.

### **WHAT HAPPENS AT THE AGM?**

The Annual General Meeting (AGM) is required by our rules to transact the following business (in no particular order):

- The minutes of the last AGM
- The annual report and accounts
- The subscription levels for the following financial year
- Adoption of any special resolutions and ordinary resolutions as submitted (see deadlines below)
- The election of honorary officers, directors and Board members
- Other business as tabled by the Members

The AGM is the sovereign members' forum of the Engineering Professors' Council and is the body to which ordinarily the Board and Directors are held to account and required to report.

### **WHO SHOULD ATTEND?**

- Each Institutional Member (i.e. a university or department that subscribes to the EPC) is entitled to nominate up to three Council Members who are entitled to vote at the AGM.
- All Individual Members of the EPC (i.e. all academic staff employed in member universities or other individuals who have been granted individual EPC membership) are welcome to attend as observers, but not vote unless they are also Council Members.
- One senior representative from each Partner organisation (i.e. the select few organisations recognised by the EPC as sharing common values and goals and invited to become Partners) are also entitled to attend, but they do not have voting rights.

No business shall be transacted at any meeting unless a quorum (twelve Council Members) is present. A resolution put to the vote of a meeting shall be decided on a show of hands. Proposals requiring amendment to the provisions of the Memorandum and Articles of Association (copies of which are available [here](#)) will necessitate a resolution of an Annual General Meeting, carried by a vote of not fewer than two-thirds of the Full Members present and voting at such a meeting, for which the quorum shall be 20 drawn from the Full Members.

Council Members may submit resolutions and amendments to resolutions in line with the Companies Acts and the Articles of Association. **If a Council Member wishes to place a special resolution to the Annual General Meeting, the draft resolution must be received by email to [j.rich@epc.ac.uk](mailto:j.rich@epc.ac.uk) no later than 09.00 on Friday 2<sup>nd</sup> July 2021.**
